

TOWELRADS OXFORDSHIRE HORIZONTAL

The Oxfordshire horizontal radiator is a classic design suitable for any room. With many towel rails offering little space to hang & dry towels, this horizontal towel rail provides the perfect solution to this problem. It is also well situated under windows with a height of only 600mm.

Safety tested at **13 bar pressure**.

Normal household pressure is well **under 5 bar**.

10
YEARS
Manufacturers
Warranty

Central heating

1-2 Day Delivery

Available in White &
Gun Metal

FEATURES AND BENEFITS

- Suitable for any central heating system.
- Available in a range of contemporary colours.
- D shaped bars for added style.
- Complements the matching towel rail.
